

## Junior Parent Survey

The purpose of this survey is to help the college counseling office learn more about your child when writing a Counselor Recommendation, which is required by many colleges and universities. Please be descriptive, so the recommendation can be more personal and therefore, more effective.

Parent name \_\_\_\_\_

Student name \_\_\_\_\_

List three or four adjectives that best describe your child.

What are your child's outstanding qualities or characteristics?

Describe areas that challenge your child.

What do you consider the most important circumstances that have affected your child's educational experience or personal development?

Indicate any obstacles that your child has encountered and overcome.

Highlight interests, hobbies and activities your child has pursued in depth outside of school that teachers and counselors might have little knowledge about.
